

As the sun rises higher in our city skies, we welcome a month brimming with warmth, joy, and community spirit. July brings us the sizzle of summer and invites us to reflect on our nation's heritage. Embrace the beauty of long summer days, the laughter of gathering with loved ones, and the opportunities for adventure around every corner. Let the summer magic begin!

Garland City Offices will be closed on Thursday, July 4th, and Wednesday, July 24th to celebrate the Independence and Pioneer Holidays.

Street Improvements/Upcoming Construction

Garland City will be continuing construction on West Factory Street – Phase 2. During this phase, access to West Factory Street will be restricted to farmers and residents who own property there (Road Closed Local Traffic Only signs have been installed), with occasional complete closures of the road. We kindly ask for your cooperation in planning alternate routes and allowing extra travel time during this period. During construction we'll be replacing the underground water lines on West Factory, during this process, there will be intermittent water shut-offs to facilitate the upgrades.

Thank you for your understanding and patience as we improve our community infrastructure.

Parks and Recreation

All registrations for sports are done online at garlandcityyouthsports.com

Youth Football – Practice Begins July 29th @ 5 PM. Parents and players meet at the Garland Park Bowery.

We take pride in Garland Park being a pet-friendly park, offering a welcoming environment for all members of our community, including our beloved pets. However, we all must do our part to keep our park clean and enjoyable for everyone. Please remember: 🐾 Always clean up after your pets.

Failure to comply with this jeopardizes our ability to remain pet-friendly. If we cannot collectively ensure a clean environment, we may be forced to reconsider allowing pets in the park.

Library

The Garland Public Library will be closed on July 4th & 24th for the Holidays. Shark Week starts on July 7th! Make sure to stop in for a week of shark-filled fun!

***If you have any questions please don't hesitate to give us a call. 435-257-3118 option #5. ***

Utility Information

Garbage service will continue as scheduled throughout July, unaffected by holidays. Place your bins out on Monday nights to ensure your garbage is dumped on Tuesday mornings. Remember, "When in doubt, Put your can out!"

As our community continues to grow, we recognize the importance of clear communication, especially during utility outages. Reaching every citizen directly is challenging. Going forward, we are committed to enhancing our communication efforts. To better serve you, we will ensure that any utility outages or emergencies are promptly posted on our official Website and Facebook pages. These platforms will be our primary means of keeping you updated and informed. Your understanding and cooperation are greatly appreciated as we work together to improve our community's communication channels. Should you have any questions or concerns, please do not hesitate to reach out to us.

Garland City Wheat & Beet Days 2024

Join us for a whirlwind of festivities celebrating our diverse culture, from live music and delicious street food to family-friendly activities. Mark your calendars for a weekend packed with community spirit and endless fun! The majority of activities during this weekend are free for families!

To begin the fun, we will start with the search for the Golden Beet sponsored by Northern Furniture. The first clue will be announced in mid-July on the [Garland City Days Facebook Page](#).
